

## Workshop Feedback Form for Date: \_\_\_\_\_

Please answer only the questions you feel comfortable answering.

In what capacity are you taking this workshop (ESL teacher, garden educator, community member, other)?
<b><i>Please complete the following as well as you can without thinking about it too much.</i></b>
What is one thing you learned about how people learn languages?
One thing you still wonder about?
The most important reason to teach and learn English is:
I feel more confident about teaching ESL now because:
I'm a little nervous because:
The ways I learned best in the workshop were:
I didn't really learn very well when:
I have these two new ideas for helping others learn English:
Do you think you will practice teaching ESL in the garden within 2 months?
I would change these things about the workshop or materials:
I think the these things absolutely need to remain the same:
I have this additional feedback or advice, or these impressions:

Thank you for attending! You are awesome!

If you have more feedback later, you can email the address on your copy of the consent form.
